

SETTING UP APPLICATION ENVIRONMENT

IBM CLOUD ACCOUNT CREATION

Step 1: Search for “ibm.com/academic” in the browser

Step 2: Enter the mail issued by the academic institution and follow the procedure for entering the details which is provided as video link in your IBM profile.

A screenshot of the IBM SkillsBuild Software Downloads registration form. The page has a dark blue header with the text "IBM SkillsBuild Software Downloads" and a help icon. On the left side, there is a video thumbnail showing two students working on a laptop. The main content area has the heading "Enter your academic institution issued email to begin". Below this, a paragraph states: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field labeled "Your academic institution issued email". Below the input field, there is a link that says "Find answers in our frequently asked questions". At the bottom, there is a blue "Submit" button.

Step 3: After following the procedure that is given in reference video, your IBM cloud account wil created.
